ASPHALT PLAYGROUND won ECFA Award at Schlingel International Film Festival

ASPHALT PLAYGROUND who was in competition in the “Youth Film” section, won last weekend the ECFA award at the 18th International Film Festival for Children and Young Audience in Chemnitz, Germany. The jury has been particularly impressed by the distinct film language since the pictures are telling the story and not the story that is being pictured.

At the end of the year all ECFA awarded films will be nominated by election for the overall 'European Children's Film Association AWARD' for film of the year. The award will be given by all the ECFA members and will be presented during the International Filmfestival Berlin Berlinale.
